State of Arizona
Senate
Fiftieth Legislature
First Regular Session
2011

SENATE CONCURRENT RESOLUTION 1006

A CONCURRENT RESOLUTION

SUPPORTING THE RESTORE OUR BORDER (ROB) SECURITY PLAN PRODUCED BY THE ARIZONA
CATTLE GROWERS' ASSOCIATION.

(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Whereas, crime and lawlessness have become rampant along the United
2 States-Mexico border in recent years, and the resulting financial burden on
3 the area's rural citizens and ranching operations has become substantial; and

4 Whereas, since organized criminals have extended their operations into
5 southern Arizona, the resulting incidents of burglary, home invasions, drug
6 smuggling, human smuggling, murder, extortion and kidnapping have created
7 intolerable levels of fear and frustration among southern Arizona's residents
8 and ranching families; and

9 Whereas, immediate and meaningful action is needed to establish border
10 security and to begin to address the uncontrolled and dangerous crime levels
11 in the region; and

12 Whereas, the Arizona Cattle Growers' Association has produced the
13 Restore Our Border (ROB) Security Plan for local, state and federal
14 authorities that will work toward securing our border with Mexico and
15 providing security for Arizona's citizens; and

16 Whereas, based on the fundamental premise that the Nation must protect
17 its citizens from foreign threats, the plan outlines numerous specific
18 actions that local, state and federal entities can implement in order to
19 achieve border security; and

20 Whereas, among the steps are the immediate deployment of United States
21 military units to the border; authorization of use of force by government
22 officials in apprehending persons in the country illegally; enforcement of
23 all existing immigration laws; the addition of at least 3,000 Border Patrol
24 field agents in Arizona; provision of felony prosecution of detainees;
25 full-time surveillance by electronic, optical and other technology;
26 establishment of citizens' advisory boards, in cooperation with rancher
27 liaison groups, in every Border Patrol Station; streamlining of the federal
28 claims process for recovering damages caused by illegal alien crime; and
29 adequate funding of state and federal attorneys' offices to ensure timely
30 prosecution of border-related offenses.

31 Therefore

32 Be it resolved by the Senate of the State of Arizona, the House of
33 Representatives concurring:

34 That the Legislature supports the Arizona Cattle Growers' Association's
35 plan to secure the United States-Mexico border and to restore order and
36 safety for residents and ranchers of Arizona's border region.
